Summer Skills 3 on 3 Challenge

Elevate Your Game This Summer. Become Elite.

Who: Boys and girls in 4th grade and older

When: Tuesdays 7-8:30 (Edison) Beginning 6/11

Where: East Coast Conditioning (216 Tingley Lane, Edison, NJ)

The Summer Skills 3 on 3 Challenge is for basketball players of all skill levels in grade school, middle school and high school, both boys and girls, and is designed to replace the traditional basketball day camp. Summertime training is geared towards improving basketball fundamentals and conditioning over a prolonged period so that players can take what they learn each week and work on it prior to the next week's workout. It is also a great time to get out and use those skills in live game play. The Summer Skills 3 on 3 Challenge allows you to do both by adding an ongoing 3 on 3 tournament that each player will participate in as part of each workout throughout the summer. Basketball players who want to gain the edge and have a desire to reach a goal should experience Elite Basketball Training's Summer Skills 3 on 3 Challenge which will run once a week for six weeks (excluding the week of 7/1).
